UPDATES BY YOU!

Dynamic Ad Program

It's effective: Our current advertisers are receiving over 90,000 impressions per month and click-throughs that vary by industry, but can range from 300 to over 1,500 per month.

It's simple: You fill out an online form and we do all the rest (create the graphic, edit your business description, etc.).

It's real time messaging: This is a fancy way of saying that you can change the message on your ad anytime you want. Why would you want to do that? Great question. You may want to highlight an offer or sale, a new product, a holiday menu, an event – virtually anything you want.

It's inexpensive: The cost is \$750 per year, but when you sign up through our referral program, we will give you an additional month of advertising for free. So, 13 months for \$750!
